THE BEST RESOURCE FOR PARENTS & STUDENTS
WHO ARE COMMITTED TO STUDENT SUCCESS
LIKE YOU

- Parents, please take 2 Actions Today --
- 1) Register for the Whole-In-One (story 2)
 - 2) Answer our Decision Survey (story 5)

First Month Down

In the first month of the 2020 school attendance has been 95% for The Lawson Academy. That's a great number, especially since some students were still getting 'set up' in the first few days. Compared to other districts, the Academy has transferred learning to digital and equipped 100% of our students with laptops or desktops and free school supplies.

Chevron Whole-In-One

Every student at The Lawson Academy will participate in four stations of virtual activities as part of Chevron Whole in One. Throughout the experience, youth will learn practical golf skills, participate in fitness and wellness lessons, discover STEM principles and interact with special guests. Chevron employees and other local experts will guide students through pre-recorded and live activities along with an appearance by three PGA TOUR® players and Houston Astros guests to bring the holistic learning experience to life.

A Whole-In-One Kit will be available to pick up from the campus in October which includes experiments, crafts, gear and information guides. Classes will coordinate instruction with the Whole-in-One program to support positive student experiences.

The partnership with Chevron and the Houston Astros Foundation enables EVERY STUDENT to experience golf, wellness, fitness and STEM projects leading up to the November Houston Open.

Every student must be registered to participate. Please click the button below to register!

If I Need Help, Who Do I Call?

If you need technical support, or if you want to know when the meals arrive, call the campus line at 713.225.1551.

Prizes for this month's meeting include Flynn O'hara Uniform Gift Cards (play to win!)

Parent Party Thursday at 5 p.m.

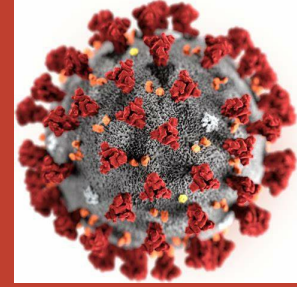

On Thursday, September 17 at 5:00 p.m. we celebrate the amazing parent support students received in the first month of this school year. This is the Zoom party of the month! The meeting includes insight into student learning (games, included) and a picture of our Title I program and how it helps every student.

COVID-19 Update

Monitoring the COVID results in Houston is part of what The Lawson Academy does each week. Looking at the data from the Texas Medical Center, it is clear that the COVID-19 risk is declining in Harris County. Although positivity rates and reproduction rates are below the target for the last 5-8 days, there are still too many cases

per day to feel that Houston is ready to return from the COVID shut-down. [More Info on COVID trends.](#)

Parents: You Decide

The first 9-week grading period will end mid-October and parents are being asked to TELL US where they want their student to learn in the second 9-week grading period. The survey to make your choice known is available now.

If you wish to send your student to campus, they will receive distance learning on campus. Students in their homes will also be attending distance learning.

Safety protocols on campus include masks, social distancing, classroom meals, desk barriers, constant campus cleaning and sanitizing. For parents who want students to return to campus, The Lawson Academy is ready!

2nd 9-Week
Survey

Computers & WiFi

Every student has been 'checked out' a laptop or a desktop with camera and headphones. If your student is properly caring for the equipment, great! For students who have "white screens" or other damage, the equipment can be replaced but parents are responsible for repair or replacement costs. Please make sure students take care of their computers. They are needed to learn! For parents who still need WiFi support, contact us at 713.225.1551.

Recommend Us To Your Friends

We still have spots available for all grades. Not every school has laptops and free school supplies for families --- why not share information with your friends and neighbors about our program.

Let them know how great we are, and give

us a chance to prove it!
