Everyone's In Class

With the Teams environment, students are able to remain in their classroom (6th, 7th, etc.) and the teachers come and go. It makes transition much easier for everyone!

We appreciate the active parents who are helping to make sure students are engaged. Even the sleepy-heads are getting up for class. Every day counts in learning so we need every student to attend and be attentive.

Meals for Everyone

Meals for September, 2020 are delivered to stops throughout the community. Every Monday and Wednesday, pickup a few days' meals for your student. Campus pickup is available from 1:00-2:00 on Mondays and Wednesdays, only.
